Internationalisation Strategy for SMEs

The P2GreenEST partnership has set up a joint Internationalisation Strategy to help European SMEs to expand themselves internationally into the Serbian and Moldovan markets in the fields of waste management, efficient water management and development of renewable energies.

Upcoming agenda

An international trade mission in Serbia will be organised from the 27th until the 30th November

A tailor-made agenda will be offered for European SMEs to meet local stakeholders. This trade mission is organised in the framework of two fairs: Ecofair and Energetika.

If you are willing to take part in this mission, please [contact us](#) before Friday 10th November!
